## PROFILE

---

I am Nursyafiqah Binti Abu Hassan, a student at Universiti Sultan Zainal Abidin (UniSZA) currently pursuing a Bachelor of Information Technology (Media Informatics). I have a strong interest in digital media and possess basic skills in UI/UX design, multimedia development and creative content production.

I am familiar with several software tools such as Canva, Unity, Autodesk Maya, Blender and Adobe Animate at a basic level for creating digital designs. In addition, I am able to work well in a team, communicate openly and continuously strive to improve my skills while gaining experience in the field of media technology.

## SKILLS

---

- Teamwork and collaboration in group projects
- Communication skills (presentation & idea sharing)
- Familiar with software like Canva, CapCut, Unity, Maya, Blender, Adobe Animation (basic)
- Multimedia development (video editing and graphic design)
- Web development and software developer
- Microsoft Office (Word, Canva, PowerPoint, Excel)
- Basic UI/UX design principles
- Problem solving and analytical thinking
- Photography and visual composition skills
